

Novel Python Functions

```
graph RL; A[Python Functions that are pass-by-reference in C++] --> B[Novel Python Functions]
```

A diagram consisting of two rectangular boxes. The box on the right is shaded gray and contains the text "Python Functions that are pass-by-reference in C++". A horizontal arrow points from the right side of this box to the left side of a white box on the left, which contains the text "Novel Python Functions".

Python Functions that
are pass-by-reference
in C++
